Clarification/Addendum to Bid Request 3-110412WB - Compressors

Addendum 02 110412WB

This bid was inadvertently offered as a single award bid, but the intent was to be multiple award. At this time, we are changing the offer to multiple award, as this allows for better regional purchasing decisions by the district folks. This also allows most (if not all) of the responsive vendors to be under contract for compressor equipment.

Please do not hesitate to call me if you have any questions, at 573-526-2529. I can also be reached via email at warren.blanchard@modot.mo.gov.
